“Driving to my favorite Taco stand early one Sunday morning,  
I couldn’t get around a Cabo local walking home from  
an obvious all-nighter.

This guy was literally bouncing off the roadside fencing  
as he tried to make his way down the road.

His shirt was torn and bloody, but he had a smile on his face  
and was oblivious to any pain he may have had.

The first thing that came to my mind was what  
I yelled out...
