“Driving to my favorite taco stand early one Sunday morning, I couldn’t get around a Cabo local walking home from an obvious all-nighter.

This guy was literally bouncing off the roadside fencing as he tried to make his way down the road.

His shirt was torn and bloody, but he had a smile on his face and was oblivious to any pain he may have had.

The first thing that came to my mind was what I yelled out ...”

**HEY! THAT GUY'S DOING
THE CABO WABO!**

A handwritten signature in black ink, appearing to read "Sammy Green".
